Child and Youth Volunteer Handbook

Adopted by Session: September 2011
Effective: September 2011

WELCOME

On behalf of the Session at Palma Ceia Presbyterian Church, we want to welcome you as a member of our team of volunteers and thank you for being willing to serve in a needed and non-compensated capacity. We want you to know your efforts are appreciated by all of us, as they will bring glory to God and both joy and pleasure to those with whom you work. We could not function as a church nor could we offer the programs and various special ministry areas without our dedicated and hard working team of PCPC volunteers. We are extremely pleased to have you give your time and God-given talents to a ministry at PCPC.

As a standard procedure, and based upon the recommendation of our insurance provider and the Presbytery, we are instructed to perform a detailed background check on all volunteers as a precaution since many children and youth are always in and around our campus and may be using our facilities. An independent company, which specializes in this type of professional service, performs this confidential background check. When information is received from the company, only our Head of Staff and the Administrator will view it, and the results will be stored digitally.

Your cooperation and understanding of this initial screening requirement is appreciated.

Thank you again for being willing to serve as a volunteer at Palma Ceia Presbyterian Church.

Sincerely,

The Session of PCPC

CHURCH VOLUNTEER JOB DESCRIPTION

A PCPC Child and Youth Volunteer Position

POSITION DESCRIPTION AND ACCOUNTABILITY

A PCPC volunteer is a vital component of the work that PCPC is called to do in our service to the Body of Christ. A PCPC volunteer is responsible to the congregation and staff to abide by the policy and procedures as adopted and accepted by PCPC and in obedience to the Holy Scriptures.

PREREQUISITES (of all child and youth volunteer positions):

1. Be of good character with a demonstrated commitment and organization skills.
2. Submit a completed PCPC Volunteer Application.
3. Agree there is no monetary compensation paid for volunteer work. However, expenses approved in advance will be reimbursed.
4. No person may serve as a volunteer until he or she has been a member of the Church for at least six (6) months or has been involved in the life of the Church for one year, as demonstrated by regular worship attendance and involvement in another volunteer ministry.
5. Any “youth” wishing to volunteer with children must be paired with a Screened Adult Volunteer or Employee.
6. Each person, paid or volunteer, applying to work with children/youth shall complete a release form authorizing the church to conduct a background check. The screening will involve completion of an online application and authorization and may include a short interview session with a member of the respective Committee overseeing the function. Volunteers will be re-screened every three years. See the Appendix for instructions and details.
7. All volunteers who are driving or providing transportation must provide the information required for a Motor Vehicle background check. Drivers must also provide a copy of a valid driver’s license and proof of insurance for the vehicle being used. Drivers will be re-screened every three years. See the Appendix for instructions and details.
8. Adult/Youth volunteers who work regularly with children/youth will be required to complete approved training on child protection issues prior to beginning their regular involvement.
9. Before beginning work with children/youth, each employee and Adult/Youth Volunteer must sign a statement that they have read, understood and agree to abide by the Child/Youth Protection Policy. See the Appendix for instructions.

Confidentiality

While the volunteer screening process understandably intrudes into the privacy of an individual's life, our congregation believes that the safety of our children and youth outweighs the potential personal invasion inherent in this process. A neutral third party outside the church will be retained to conduct criminal history checks, sexual offender database searches and motor vehicle reports. All personal information voluntarily disclosed, the results of all third party database searches, and the refusal of any person to participate in a program or activity in lieu of making such disclosures, will be considered confidential. The results of background searches will be presented to the Head of Staff and the Administrator, who will be the only individuals to handle this information. The Pastor/Head of Staff will maintain a secured storage facility in the church's business office for all confidential information not securely stored online.

RESPONSIBILITIES:

1. Follow and abide by the PCPC Policies and Procedures.
2. Work with members, Elders, and Staff to fulfill the responsibilities of selected ministry.
3. Use good judgment and limit liability while performing volunteer work.
4. Maintain and follow instructions regarding tools and equipment used while performing volunteer work.
5. Report any act and/or interactions that you believe are inappropriate to the program leader, who must then immediately notify the Pastor/Head of Staff.

TERM OF VOLUNTEER SERVICE:

1. PCPC volunteers serve for a term of one year as approved by the Elders.
2. Volunteers may serve longer terms, but rotations of volunteers in ministries are encouraged.
3. **All** volunteers serve at the discretion of the Session and Staff of PCPC.

TERMINATION:

PCPC volunteers may be relieved of their duties, if they perform in a manner that does not conform to PCPC Policy and Procedures, or their services are no longer required.

CHILD AND YOUTH PROTECTION POLICY

PURPOSE

To ensure the welfare of the children, youth and adults participating in church sponsored events, while reducing the risk of abuse and sexual misconduct.

DEFINITIONS

- A. What is a “Child”, “Youth”, or “Adult”?

Child: Any person under age 12.

Youth: Any person aged 12 through 18, or anyone over the age of 18 without the mental capacity to consent.

Adult: Any person 18 years of age or older, with the mental capacity to consent.

- B. What is an “Employee”, “Screened Adult/Youth Volunteer”, or “Adult/Youth Volunteer”?

Employee: any person paid by PCPC, overseen by the Session, and screened.

Screened Adult/Youth Volunteer: a volunteer who has met the requirements and been approved to hold a position of responsibility with children/youth.

Adult/Youth Volunteer: a volunteer that has not been screened and occasionally works with children/youth. This person can work with children and youth on a case-by-case basis as long as a Screened Adult Volunteer or an Employee is present.

- C. What is abuse? (As defined in the 2007 Florida Statutes, Chapter 39.01)

Abuse means any willful act or threatened act that results in any physical, mental or sexual injury or harm that causes or is likely to cause the child’s physical, mental or emotional health to be significantly impaired. Abuse of a child includes acts or omissions. Corporal discipline of a child by a parent or legal custodian for disciplinary purposes does not itself constitute abuse when it does not result in harm to the child.

Physical Abuse: Includes hitting, kicking, shaking, squeezing, burning, biting, administering poisonous substances, suffocating, drowning, excessive force and/or any other action that inflicts physical harm.

Sexual Abuse: Involvement of dependent, developmentally immature children or adolescents, in sexual activity that they do not fully comprehend, or to which they are unable to give informed consent, or which violate the social taboos of family roles or laws.

Emotional Abuse: Harming by threats, verbal attacks, taunting or shouting or by constant lack of love and affection. May also include cold or distant behavior that is harmful.

- h. Overnight events require a Screened Adult Volunteer or employee of each gender, providing there are children/youth participants of each gender

2. Open Door Policy

- a. Classrooms: Observation of childcare rooms and classrooms of children and youth may be randomly conducted. Classroom doors with clear observation panes may be kept closed. Whenever children/youth are present, classrooms without a clear pane shall be left standing open.

Offices and meeting room doors without clear observation panes shall be left standing open when occupied by children/youth.
- c. Covering windows in a classroom or office is prohibited.

C. Transportation

REPORTING ABUSE

If a volunteer or employee has any knowledge or suspicion that abuse has or is occurring, it must be reported immediately to the Program Leader, who must notify the Head of Staff. The volunteer or employee will be assisted/supported in making a confidential report to DCF. It is imperative that neither the volunteer nor the employee engages in questioning the alleged victim or the alleged perpetrator.

Information reported shall include:
